Z-Bar Titan floor lamp

Z-Bar Floor is an ultra-slim and flexible floor lamp that complements any interior décor. For ambient light, rotate the lamp head to face the ceiling or wall. For reading light, pull the LED head down and mid-body down to the desired level. Finished with the light? Fold the LED head against the body for a slim, sculptural silhouette.

Lumens:	1600
Energy Consumption:	26 W
Rated Lifespan:	60,000 hours
Color Temperature:	3,000 K
Color Rendering Index (CRI) :	90+
Brightness Adjustability:	Rotary switch / dimmer
Material:	Aluminum, plastic
Safety Rating:	C-UL-US Certified
Warranty:	5 years
Voltage:	100-240V
Standard Finishes:	Metallic Black, Silver, Metallic White
Cord Length:	10 ft

LEED Information

Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.

Koncept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting.

Koncept's portable task lighting products provide more than three lighting levels that occupants can easily adjust to suit their needs. Furthermore, all Koncept lighting products use high quality LED light sources with CRI over 90 and L90 rated lifespan over 60,000 hours. Desktop and task personal lighting also provide the opportunity to reduce overhead lighting.

Meticulously crafted to provide unmatched reach and versatility, this imposing yet refined task floor lamp boasts a sizable frame and a discreetly adjustable LED head that can pivot and sweep to illuminate any angle with ease.

The lamp's subtle rotary switch allows for effortless brightness control, creating a seamless lighting experience that effortlessly adapts to your needs.
